

CURRICULUM VITAE

DATE: January 23, 2018

NAME: Firoz S. Vagh, MBBS

ADDRESS: OFFICE: University of New Mexico
Department of Anesthesiology
& Critical Care Medicine
2701 Frontier, NE
Albuquerque, N.M. 87131-5216
(505) 272-2610
fvagh@salud.unm.edu

Home: 11010 Ranchitos Road, NE
Albuquerque, NM 87122
(505) 828-2368

LICENSURE: New Mexico Board of Medical Examiners
License #80-275 (exp. 7-1-2017)

CERTIFICATION: American Board of Anesthesiology 1982.
D. E. A. Controlled Substance License #AV9748205 (exp. 5/31/2017)
New Mexico Board of Pharmacy, Controlled Substance
License #CS00006371 (exp. 5/31/2019)

EDUCATION:

July 1979-August 1980 University of Colorado Medical Center
Denver, CO
Third Year Residency-Cardiac, Pediatric, & Obstetrical Anesthesia

July 1977-July 1979 Mount Sinai Hospital
New York, NY
Residency-Anesthesiology

June 1976- June1977 Hospital for Joint Diseases & Medical Center
New York, NY
Internship-Medicine

June1975-June1976 Kent & Canterbury Hospital
Canterbury, United Kingdom
Senior House Officer-Anesthesiology

June 1974-June 1975 Royal Victoria Hospital
Folkstone, United Kingdom
Senior House Officer-General House Officer

Jan 1974- **May 1974** Buckland Hospital
Dover, United Kingdom
Senior House Officer-General Surgery

Sep 1973-Dec 1974 University of Glasgow
Primary FRCS Course

Oct 1972- Sept 1973
Beckett Hospital
Barnsley, United Kingdom
Senior House Officer-General House Officer

Sept 1972- Oct 1972
County Hospital
Lincoln, United Kingdom
Senior House Officer-General Surgery

Aug 1971-July 1972
Government Royapettah Hospital
Madras, India
Senior House Officer-Surgery

Sept 1970- Aug 1971
Kilpauk Medical College & Hospital
Madras, India
Rotating Internship

June 1970
Kilpauk Medical College & Hospital
Madras, India
Medical Degree

EMPLOYMENT HISTORY:

May 2003-Present
Associate Professor
Department of Anesthesiology & Critical Care Medicine
University of New Mexico Health Sciences Center
Albuquerque, NM

May 2003-Present
Director of Outpatient Regional Anesthesia
Department of Anesthesiology & Critical Care Medicine
University of New Mexico Health Sciences Center
Albuquerque, NM

Jan 2005-Present
Director of Regional Anesthesia
Department of Anesthesiology & Critical Care Medicine
University of New Mexico Health Sciences Center
Albuquerque, NM

August 1980- May 2003
Private Practice
Anesthesia Specialists of Albuquerque
500 Walter, NE Suite 409
Albuquerque, NM 87102

HONORS & AWARDS:

October 2017 Emeritus Professor of Anesthesia

October 2015 Promoted to Professor of Anesthesia

June 2004 – Voted “Outstanding Teacher of the Year” by the residents of the Department of Anesthesiology.

June 2004-05 – Nominated for Faculty teaching excellency award in the category of residency/fellowship.

March 2008—Kathali award for best clinical teacher of the year by

University of New Mexico School of Medicine, students of the class of 2008.

Chosen Top Doc by “Albuquerque, The Magazine,” March 2008_.
Best in Albuquerque in the Speciality of Anesthesiology.

March 2011—Kathali award for best clinical teacher of the year by University of New Mexico School of Medicine, students of the class of 2010.

2013 Inducted into Alpha Omega Alpha Society

MEMBERSHIPS IN PROFESSIONAL SOCIETIES:

American Society of Anesthesiology, 1980 – present.
American Society of Regional Anesthesia, 1980 – present.
European Society of Regional Anesthesia
New Mexico Society of Anesthesiology, 1980 – present.
New Mexico Medical Society, 1980 – present.

EXTRAMURAL PROFESSIONAL ACTIVITES

August 2012 to present, yearly Sonoanatomy workshop for first year medical students. Thought sonoanatomy on 2 different days to about 120 medical students. This program has become very successful and now it is a part of the regular anatomy curriculum

October 2016 Ultrasound-Guided Nerve Block Techniques, 2nd Annual-Launching Ultrasound-Guided Regional Anesthesia in a Busy Practice Workshop, University of New Mexico, Albuquerque, NM . Thought several workshops and also gave a talk on advanced lower extremity blocks with the use of ultra sound

October 2015 Ultrasound-Guided Nerve Block Techniques, 2nd Annual-Launching Ultrasound-Guided Regional Anesthesia in a Busy Practice Workshop, University of New Mexico, Albuquerque, NM . Thought several workshops and also gave a talk on advanced lower extremity blocks with the use of ultra sound

October 2014 Ultrasound-Guided Nerve Block Techniques, 2nd Annual-Launching Ultrasound-Guided Regional Anesthesia in a Busy Practice Workshop, University of New Mexico,

Albuquerque, NM . Thought several workshops and also gave a talk on advanced lower extremity blocks with the use of ultra sound

October 2013 Ultrasound-Guided Nerve Block Techniques, 2nd Annual-Launching Ultrasound-Guided Regional Anesthesia in a Busy Practice Workshop, University of New Mexico, Albuquerque, NM . Thought several workshops and also gave a talk on advanced lower extremity blocks with the use of ultra sound

August 2012 Sonoanatomy workshop for first year medical students. Thought sonoanatomy on 4 different days to about 70 medical students

October 2012 Ultrasound-Guided Nerve Block Techniques, 2nd Annual-Launching Ultrasound-Guided Regional Anesthesia in a Busy Practice Workshop, University of New Mexico, Albuquerque, NM

August 2011, Started a Sonoanatomy course for first year medical students in the form of a workshop which was very well received by the students

November 2007 – Faculty member Ultrasound Workshop to the private community Anesthesiologists. Sponsored by General Electric at the Embassy Suites Hotel. Albuquerque, NM.

January 18-20, 2007 – Faculty member at the Biannual Ultrasound Guided Regional Workshop. Sponsored by MD Anderson Hospital. Houston, TX.

April 2003 – Established comprehensive regional anesthesia program at the University of New Mexico Outpatient Surgery Center. This program has successfully trained residents in regional anesthetic techniques allowing many to attain excellent positions in prestigious institutions.

October 2005 – Successfully obtained an Ultrasound Machine and implemented regional anesthetic blocks utilizing this new technology. This expertise enhances the Residency program at the University of New Mexico, making it one of the few institutions in the country that teaches this technique.

INVITED LECTURES:

February 2013 NM Society of Anesthesiologists annual meeting
Conducted a workshop on advanced U/S guided techniques for regional anesthesia.

September 25, 2011 Advanced Regional Anesthesia Workshop of the Spine and Paravertebral Space

September 21, 2011 Regional Anesthesia Overview. Primary Care Conference for Physician Assistants. Albuquerque, NM

October 1-2, 2011. "Ultrasound-Guided Lower Extremity Workshop." Launching Ultrasound-Guided Regional Anesthesia in a Busy Practice. University of New Mexico. Department of Anesthesiology. Albuquerque, NM.

October 1-2, 2011. "Ultrasound Guided Regional Anesthesia of the Lower Extremity." Launching Ultrasound-Guided Regional Anesthesia in a Busy Practice. University of New Mexico. Department of Anesthesiology. Albuquerque, NM.

January 2011 Biannual Ultrasound Guided Regional Anesthesia Workshop at MD Anderson Cancer Centre. Houston TX. Teaching Faculty

December 2015 taught Ultrasound workshop for 6 hours on two different days to Anesthesia residents and faculty at Manipal hospital in Bangalore India and also at J S S hospital in Mysor India

January 7 2010 SPARSH hospital. Bangalore India. Presented, a two hour talk on Ultrasound Regional Anesthesia and a workshop and live demonstration of block

January 2010 Biannual Ultrasound Guided Regional Anesthesia Workshop at MD Anderson Cancer Centre. Houston TX. Teaching Faculty

February 27 2010 NM Society of Anesthesiologists annual meeting Presented a talk on U/S guides regional anesthesia and conducted a workshop on advanced U/S guided techniques for regional anesthesia.

April 2010 Grand rounds, UNM Department of Anesthesiology on ultrasound imaging of Spine, TAP and Rectus sheath blocks

July 2010 Biannual Ultrasound Guided Regional Anesthesia Workshop at MD Anderson Cancer Centre. Houston TX. Teaching Faculty

November 2010 Presented a talk to outpatient surgery nurses on Regional anesthesia, complications and treatment

December 5, 2010. "Pediatric Regional Ultrasound Workshop." Pediatric Division, UNM Department of Anesthesiology. Albuquerque, NM.

January 2009 Biannual Ultrasound Guided Regional Anesthesia Workshop at MD Anderson Cancer Centre. Houston TX. Teaching Faculty

July 2009 Biannual Ultrasound Guided Regional Anesthesia Workshop
at MD Anderson Cancer Centre. Houston TX.
Teaching Faculty

August 2009 “Regional Anesthesia for Upper Extremity surgery.”
UNM Department of Orthopedics. Albuquerque.NM.

January 2008 Biannual Ultrasound Guided Regional Anesthesia
Workshop at MD Anderson Cancer Centre. Houston TX.
Teaching Faculty

July 2008 Biannual Ultrasound Guided Regional Anesthesia Workshop
at MD Anderson Cancer Centre. Houston TX.
Teaching Faculty

April 12, 2008. “Update in Regional Anesthesia.” New Mexico
Society of Anesthesiologists. Annual Meeting – Clinical Anesthesia
Best Practice 2008. Albuquerque, NM.

April 12, 2008. “Lower Extremity Ultrasound Workshop.” New
Mexico Society of Anesthesiologists. Annual Meeting – Clinical
Anesthesia Best Practice 2008. Albuquerque, NM.

September 14, 2007. “Regional Anesthesia Case Presentation.” UNM
Department of Anesthesiology – Grand Rounds. Albuquerque, NM.

August 15, 2007. “Regional Anesthesia for Upper Extremity Surgery.”
UNM Department of Orthopedics. Albuquerque, NM.

April 17, 2007. “Regional Anesthesia in Outpatient Surgery?”
American Society of Perianesthesia Nurses. ASPAN’s 26th National
Conference. Disneyland Hotel, Anaheim, CA.

April 17, 2007. “Anesthesia 101” American Society of Perianesthesia
Nurses. ASPAN’s 26th National Conference. Disneyland Hotel,
Anaheim, CA.

April 1, 2006. “Nerve Blocks and Local Anesthesia.” New Mexico
Chapter of American College of Emergency Physicians. Emergency
Medicine Symposium. Albuquerque, NM.

March 4, 2006. “Regional Anesthesia in Clinical Practice.” New
Mexico Society of Anesthesiologists. Annual Meeting – Clinical
Anesthesia Best Practice 2006. Albuquerque, NM.

March 4, 2006. “Workshop on Lower Extremity Blocks and
Ultrasound.” New Mexico Society of Anesthesiologists. Annual
Meeting – Clinical Anesthesia Best Practice 2006. Albuquerque, NM.

September 2, 2005. “Regional Anesthesia Case Presentation.” UNM
Department of Anesthesiology – Grand Rounds. Albuquerque, NM.

August 11, 2005. "Regional Anesthesia for Upper Extremity Surgery." UNM Department of Orthopedics. Albuquerque, NM.

March 23, 2005 – Anatomy lecture and cadaver workshop for fourth year medical students demonstrating upper and lower extremity blocks.

March 12, 2005. "Perioperative Pain Management for Outpatient Surgical Procedures." PeriAnesthesia Nurses Association of New Mexico. Spring Conference. Albuquerque, NM.

February 4, 2005. "An Overview of Regional Anesthesia at the OSIS." UNM Department of Anesthesiology. Albuquerque, NM.

August 12, 2004. "Regional Anesthesia for Upper Extremity Surgery." UNM Department of Orthopedics. Albuquerque, NM.

April 28, 2004. "Perioperative Pain Management for Outpatient Orthopedic Surgical Procedures." UNM Department of Orthopedics – Grand Rounds. Albuquerque, NM.

April 23, 2004. "Perioperative Pain Management for Outpatient Orthopedic Surgical Procedures." UNM OSIS Perioperative Nursing Personal. Albuquerque, NM.

August 14, 2003. "Regional Anesthesia for Upper Extremity Surgery." UNM Department of Orthopedics. Albuquerque, NM.

January and June 2008 and 2009 invited speaker and conducted workshop in ultrasound guided regional anesthesia at M D Anderson Hospital in Houston. Texas.
