### **EDUCATIONAL QUALIFICATIONS**

Degree	University / Place	Completion Year
Post Doctorate fellowship in Cardiac & Neuro anaesthesia	Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum	Dec, 1996
MD	Osmania Medical College, Hyderabad	Apr, 1993
MBBS	Osmania Medical College, Hyderabad	Dec, 1988

### **WORK EXPERIENCE**

POSITION	PLACE	DURATION
Chief, Dept of Anaesthesia, Perioperative Medicine & Critical Care	AIG Hospitals	Nov 2018 - Present
Director, Dept of Anaesthesia, Pain medicine, Surgical & Obstetric Intensive care	Century Super specialty Hospital, Hyderabad	Feb 2015 – Oct 2018
Head, Dept of Obstetric Anaesthesia, Pain medicine and Obstetric Critical Care	Fernandez Hospitals	Jan 2001 – Feb 2015
Consultant, Dept of Obstetric Anaesthesia, Pain and Obstetric Critical Care	Fernandez Hospital	Feb 1997 – Dec 2000
Founder Director, Prerna Anaesthesia and Critical Care Services, Hyderabad - Estb. Feb. 1997		

### CERTIFICATIONS

- **PhD GUIDE:** AWARDED BY NTRUHS FOR STUDENTS ASPIRING TO DO PhD IN ANAESTHESIA / RESEARCH
- **ADJUNCT FACULTY, KASTURBA MEDICAL COLLEGE, MANIPAL UNIVERSITY, MANGALORE.**
- **VISITING PROFESSOR, GANGA HOSPITAL & RESEARCH INSTITUTE, COIMBATORE**
- **GUIDE AND TEACHER (APPOINTED BY INDIAN COLLEGE OF CRITICAL CARE MEDICINE)**
  - STUDENTS PURSUING POST DOCTORATE COURSES IN CRITICAL CARE MEDICINE RECOGNISED BY ISCCM (INDIAN SOCIETY OF CRITICAL CARE MEDICINE)
- **INSTRUCTOR:**
  - ATLS (ADVANCED TRAUMA LIFE SUPPORT)
  - ACLS (ADVANCED CARDIAC AND LIFE SUPPORT)
  - CTLS (COMPREHENSIVE TRAUMA AND LIFE SUPPORT)
  - ALSO (ADVANCED LIFE SUPPORT IN OBSTETRICS)
  - WFSA (WORLD FEDERATION OF SOCIETY OF ANAESTHESIOLOGISTS) SAFE OBSTETRIC ANAESTHESIA COURSE
  - FCCS – OBSTETRIC CRITICAL CARE COURSE, SCCM (SOCIETY OF CRITICAL CARE MEDICINE), USA
- **EDITORIAL BOARD MEMBER**
  - SECTION EDITOR, RESUSCITATION SCIENCE, JOURNAL OF ANAESTHESIA & CLINICAL PHARMACOLOGY (JOACP)
  - EDITORIAL BOARD MEMBER, JOURNAL OF OBSTETRIC ANAESTHESIA & CRITICAL CARE
- **EXAMINER, GUIDE, TEACHER:**
  - APPOINTED BY ASSOCIATION OF OBSTETRIC ANAESTHESIOLOGISTS, INDIA FOR TRAINING FELLOWS PURSUING POST DOCTORAL FELLOWSHIP IN OBSTETRIC ANAESTHESIA
- **PROVIDER:**
  - ULTRASOUND IN TRAUMA AND CRITICAL CARE (WINFOCUS)
- **FACULTY:**
  - FCCS (FUNDAMENTAL CRITICAL CARE SUPPORT)
  
- **CERTIFICATE COURSE IN HOSPITAL ADMINISTRATION AND MANAGEMENT FROM IIM - AHMEDABAD**

### ACADEMIC DETAILS – TEACHING, TRAINING & MENTORING:

- Post Doctorate Fellowship course in Obstetric Anaesthesia (Started this course for the first time in India in 2007). In the year 2012, the association of Obstetric Anaesthesiologists, India, recognized this course and has given accreditation. This is open to both National and International Trainees.
- Post Doctorate Fellowship Training in Critical Care, IDCCM and CTCCM – Training courses in Critical care medicine recognized by Indian college of Critical Care Medicine
- Runs a DNB (Post graduate) teaching and Training programme (in Obstetric Anaesthesia /High Risk Obstetrics / Obstetric medicine) for students from other DNB training institutes
- Have been a guide / co-guide for DNB (Post graduate trainees) & Fellowship students

Prerna Anaesthesia and Critical Care Services Pvt Limited  
alarC: Comprehensive Anaesthesia Learning And Resource Centre,  
8-2-684/3/K/20, Kaushik Colony, Rd 12, Banjara Hills, Hyderabad, India.

- Runs 2 weeks Observer ship course in Obstetric Analgesia and Obstetric medicine & Critical Care (To date more than 296 anaesthetists, obstetricians and physicians have enrolled for this course from across the nation and overseas)
- Founder & Head – Infection Control Team at Fernandez Hospital (2005 – 2014)
- Initiated & Chaired, HIC Committee, Fernandez Hospitals, Hyderabad (2008 – 2015)
- Head – Infection Control committee, Century Super Specialty Hospital (2015 – 2018)
- Member, HIC Committee, AIG Hospitals, Gachibowli, Hyderabad (2018 – Present)
- Member – Transplant committee, Century Super Specialty Hospital
- Chair – Ethics committee, Century Super Specialty Hospital (2015-109)
- Heads a dedicated Obstetric Critical Care Unit (1999 – Jan 2015), the only dedicated Ob. ICU unit in the country. ***Started for the first time a two days Obstetric Critical Care Course, that consist Hands-on and simulated based skill training and lectures. Started in 2008 and so far have conducted 17 courses at various national and international conferences.***
- Started for the first time in India a comprehensive on-demand epidural services for women in Labour, 1997
- Started Acute Pain Management (Post op and acute pain syndromes in women) Services in a Obstetric Unit with a dedicated pain nurse, in 2007
- **The department has done largest number of Obstetric Epidurals in the Sub-continent.**
- Annual Delivery Rate is @ 8500+. Acceptance of epidural for labour pain is ~55 - 60%. LSCS rate is @ 25% (Robson's class I), 98% of all elective and 95% of all emergency LSCS done under regional anaesthesia.
- Annual Obstetric ICU admissions are @ 5% (70% Referrals) and HDU admissions (14%)

#### PUBLICATIONS / CHAPTERS

1. Editorial – Critical Care in Obstetrics, Indian Journal of Critical Care Medicine, May 2019
2. **Critical Care in Obstetrics:** Article published in Sept 2018 issue, IJA
3. **DASH BOARD** – DYNAMIC Audit tool to enhance quality in Obstetric Anaesthetic services, Original research (Accepted for publication by IJA)
4. **Review article:** Role of rFVIIa in major Obstetric Haemorrhage: Our experience, Indian Journal of Hematology and transfusion, Sept, 2009
5. **Review Article:** Labour Analgesia, Recent advances, in Indian Journal of Anaesthesia, Sept-Oct 2010 (Maintaining TOP article in Google scholarly search, last 9 years)
6. **Editorial: Postpartum headache: Mandates correct clinical diagnosis and right intervention** in Journal of Obstetric Anaesthesia and Critical Care (JOACC)
7. Organ Dysfunction and Organ Failure as Predictors of Outcomes of Severe Maternal Morbidity in an Obstetric Intensive Care Unit; Journal of Clinical and Diagnostic Research. 2014 Apr, Vol-8(4): OC06-OC8
8. **Editor and author, co-author**, world anaesthesia clinics Volume I and II on **Analgesia & Anaesthesia for Labour and delivery**
9. Contributed chapter in 'Text Book of High Risk Obstetrics' by Prof. Arul Kumaran S on '**Pain relief in Labour – Various options'**
10. Contributed a chapter on '**Labour Analgesia'** in Text book of Pain by Dr.Muralidhar Joshi
11. Contributed a chapter on **Critical Care in Obstetrics** in Text Book of Emergency Obstetrics by Dr.Subba Raju (2011)
12. Contributed a chapter in FOGSI (Federation of Obstetric and Gynaecologists Society of India) Document on **Obstetric Critical Care Unit: Minimum standards, Designing** (2011)

Perna Anaesthesia and Critical Care Services Pvt Limited  
 calarC: Comprehensive Anaesthesia Learning And Resource Centre,  
 8-2-684/3/K/20, Kaushik Colony, Rd 12, Banjara Hills, Hyderabad, India.

13. **Author:** Text Book of Critical Care (Contributed seven chapters)
14. Under print:
  - a. **Editor and author:** Failed spinal: What next?

**PEER REVIEWER**

1. Indian Journal of Anaesthesia (indexed Journal)
2. Indian Journal of Critical Care Medicine (Indexed Journal)
3. Journal of Anaesthesia and Clinical Pharmacology (Indexed Journal)
4. Journal of Obstetric Anaesthesia and Critical Care (JOACC)
5. International journal of clinical anaesthesia  
 (On an average, I review around two articles every month)

**PAPERS PRESENTED / INVITED LECTURES**

- Has presented >100 papers across the country and internationally
- Has given ~ 300 talks in various National and International Societies and forums

**WORKSHOPS CONDUCTED**

#### RESEARCH WORK

- Labour analgesia using low dose mixture: comparative study using mobile CEI pump v/s PCEA pump, EC Ref # 07\_2007 – **completed.**
- Ultrasound guided transversus abdominis plane block for post cesarean section analgesia: a prospective placebo controlled randomized double blind trial, EC Ref # 20\_2010, **completed.**
- Maternal satisfaction and the gap between delivery expectation and delivery experience: a comparison of pregnant women with and without labour epidural analgesia., EC Ref # 27\_2010 , **completed.**
- Cesarean or vaginal delivery for obese pregnant women at fernandez hospital: evidence on anesthetic, delivery, post natal and neonatal complications to inform clinical decision making, EC Ref # 12\_2012, **completed.**
- **CSF Technique (Continuous Saline Flush Technique):** A novel technique to minimize blood taps while performing epidurals in obstetrics (A randomized Controlled Trial), completed.
- **Levobupivacaine vs Ropivacaine for LEA:** RCT on maternal outcome; On going
- **Fall in arterial pH and base deficit, early markers of pre-eclampsia?;** on going
- **Dash board audit in Obstetric Anaesthetic practice:** A critical analysis; Completed
- **AKI in pregnancy:** Maternal interventions and outcome, a prospective observational and descriptive study; on going

#### AWARDS

- Awarded Best General Proficiency Prize in Class X, school
- National merit scholarship in Class XII
- **University Topper** in MD Anaesthesia, Awarded Gold medal
- **Best outgoing student** in Post Doctorate batch (SCTIMST, Trivandrum)

Perna Anaesthesia and Critical Care Services Pvt Limited  
alarC: Comprehensive Anaesthesia Learning And Resource Centre,  
8-2-684/3/K/20, Kaushik Colony, Rd 12, Banjara Hills, Hyderabad, India.

- **Awarded 1<sup>st</sup> ISA Mumbai Oration** in 2009, Management of Major Obstetric Haemorrhage
- **Special KOPS award** – Best paper in Obstetric Anaesthesia (Atypical presentation of Obstetric epidurals: Audit of 35,000 obstetric epidurals), ISACON 2010 at SGPGIMS, Lucknow
- **2<sup>nd</sup> Best Poster award** (Introduced the concept of DASH BOARD AUDIT IN OBSTETRIC ANAESTHESIA, for the first time in literature) at SOAP annual conference, Puerto Rico, April, 2013
- **Best poster award** at National conference of Obstetric anaesthesia: Obstetric anaesthesia Dash Board, Quality improvement tool
- **2<sup>nd</sup> Best paper award** at 4<sup>th</sup> Obstetric medicine meet organized by Society of Obstetric medicine india: Co-ICU admissions and maternal and neonatal outcomes in a dedicated Obstetric critical care unit.
- **Best Paper award** – Gold Medal, 1<sup>st</sup> World Congress of Obstetric Anaesthesia & VIII National conference of AOA, at Hyderabad, 2015: Title - MATERNAL OBESITY: ANESTHETIC IMPLICATIONS & PERIOPERATIVE OUTCOME; A PROSPECTIVE STUDY OF 1032 PREGNANCIES OVER A YEAR
- **Best Case Report award** – 1<sup>st</sup> World Congress of Obstetric Anaesthesia & VIII National conference of AOA, at Hyderabad, 2015: Title – Perimortem Cesarean Section in a parturient with Non compacted Left Ventricle: A rare case with good maternal and Neonatal outcome
- **Awarded Lt. Col. V.K.Nair memorial Oration at MAC 2015 at Madurai, 2015:** Title - Recent Advances in Obstetric Anaesthesia
- **Best Case report award:** AOA Mumbai, 2016
- **AORA 2017, Indore**– Best paper award
- **AOA 2017, Bengaluru** – Best paper, Gold medal awarded
- **ISACON 2017, Kolkota** – Best paper award – KOPS award
- **Teachers day award conferred by ISCCM, Hyderabad City Branch, Sept, 2018**
- **ISACON 2018, Agra** – Best paper award – KOPS award

#### MEMBERSHIPS AND POSITIONS

- President, Association of Obstetric Anaesthesiologists, India
- Past Hon. Secretary, Association Of Obstetric Anaesthesiologists, India ([www.aoaindia.in](http://www.aoaindia.in))
- Past - Hon. Secretary, Society of Obstetric Medicine, India
- Member of ISOM – International society of Obstetric medicine
- Member of NASOM – North American Society of Obstetric Medicine
- Executive member – Obstetric Anaesthesia Society Asia Oceania (OASAO)
- Past Executive member – Academy of Regional Anaesthesia, India ([www.aoraindia.com](http://www.aoraindia.com))
- **Organizing Secretary: 1<sup>st</sup> World Congress of Obstetric Anaesthesia** and 8<sup>th</sup> Annual conference of Association of Obstetric Anaesthesia, to be held at Hyderabad, **India in Sept 11<sup>th</sup> – 13th 2015**
- **Organizing Secretary:** 4<sup>th</sup> Annual conference of Association of Obstetric Anaesthesiologists and 1<sup>st</sup> Joint AOA-OASAO (**Obstetric Anaesthesia Society Asia Oceania**) conference, Hyderabad, September 2011
- **Treasurer**, ISCCM (Indian Society of Critical Care Medicine) conference, Criticare 2010
- **Organizing Secretary:** 1<sup>st</sup> and 2<sup>nd</sup> Obstetric Medicine Conference, Annual CME of Fernandez Hospitals 2008, 2010. Scientific Adviser and Organizing committee member in 3<sup>rd</sup> and 4<sup>th</sup> Obstetric medicine conference
- Life Member, ISA (Indian Society of Anaesthesiologists), India
- Life Member ISCCM (Indian Society of Critical Care Medicine),
- Life Member Society of Emergency Medicine, India
- Member OAA- UK, SOAP- USA, ESICM, ASRA – USA, International Society of Obs Medicine (ISOM)

**Perna Anaesthesia and Critical Care Services Pvt Limited**  
**alarC: Comprehensive Anaesthesia Learning And Resource Centre,**  
**8-2-684/3/K/20, Kaushik Colony, Rd 12, Banjara Hills, Hyderabad, India.**

- **Past Editor (2005-2009),** ISA (Indian Society of Anaesthesiologists) News letter Hyd. City Branch.

**PATENTS (IN THE PROCESS):**

- Obstetric Anaesthesia Dash Board
- SICU and Nursing Dash Board
- Continuous Saline Flush Technique For Minimizing Epidural Blood Taps
- Epidural Drape, Calibrated Lithotomy Drape
- Economy intubation Ramp
- Economy Patient comfort & back support Incline For Perineal Surgeries In Lithotomy Position
- NABES – OT concept for Joint replacement and transplant operation theaters, Economising and advanced Operation theater designing and execution (Breaking the myth on industry driven popular Modular OT concept)

**PASSION**

- Obstetric Critical Care and Anaesthesia for High risk Obstetrics – Haemorrhage, Resuscitation, Heart Disease, Anticoagulants and CNBs, Anaesthesia for High risk Surgeries
- Dash board & Mash Board concept in Obstetric Anaesthesia, CRMs & Near Misses, Clinical audits in Anaesthesia and Critical Care.
- Teaching and Training fellows and postgraduates in Anaesthesia and Surgical & Obstetric Critical Care.
- Designing & Infrastructure planning: Operating Suites and Critical Care units
- Listening & playing Music – Playing keyboard, mouth organ, Travel – long treks, drives and Nature Photography.

**Perna Anaesthesia and Critical Care Services (Estb. Feb 1997, [www.paccs.in](http://www.paccs.in))** is a team of dedicated Anaesthesia and Critical Care specialists that provides total anaesthetic and perioperative care / Surgical intensive care services at the following hospitals in Hyderabad, India:

**FERNANDEZ HOSPITAL (3 Units)**

**Fernandez Hospital** is a 320 bed exclusive High risk perinatal centre with dedicated 6 bed Obstetric Critical Care Unit, 6 bed PACU, 18 bed HDU and 8 bed Step down unit, Fetal Medicine unit, Maternal medicine unit and Neonatal intensive care unit. The Hospital has an annual delivery rate of approx 8000+.

- NABH & NABL Accredited
- Hospital is a DNB recognized centre for Obgyn, Neonatology and Post doctoral fellowship in high risk pregnancy, university recognized Obstetric medicine fellowship and PhD.
- The anaesthesia team Runs one year Fellowship course in Obstetric Anaesthesia (Started this course for the first time in India in 2007)
- Runs a DNB teaching and Training programme (in Obstetric Anaesthesia /High Risk Obstetrics / Obstetric medicine) for students from other DNB training institutes
- Have been coordinator and Guide for DNB & Fellowship students
- Runs 2 weeks Observer ship course in Obstetric Analgesia (To date more than 150 anaesthetists, obstetricians and physicians have enrolled for this course from across the nation and overseas)
- Runs a comprehensive on-demand epidural services for women in Labour and Acute Pain Clinic and services

**Perna Anaesthesia and Critical Care Services Pvt Limited**  
**alarC: Comprehensive Anaesthesia Learning And Resource Centre,**  
**8-2-684/3/K/20, Kaushik Colony, Rd 12, Banjara Hills, Hyderabad, India.**

- The department has performed highest number of Obstetric Epidurals in the Sub-continent.
- Annual Delivery Rate is @ 8000+. Acceptance of epidural for labour pain is ~60%. CS rate is @ 25%, 98% of all elective and 95% of all emergency LSCS done under regional anaesthesia.
- Runs 24 x 7 dedicated Obstetric Critical Care Unit

**ASIAN INSTITUTE OF GASTROENTEROLOGY**

- State of the art gastroenterology center
- On an average 350 surgical gastro-enterology procedures per month including high risk GE procedures, liver and Pancreatic resections, Hepatic transplantation both live and cadaveric, Islet cell transplantation, advanced laparoscopic and bariatric procedures. Involved actively in Live workshops and Cadaveric liver transplant programme.
- It's a DNB recognized super specialty training institute for medical and Surgical GE

**CARE HOSPITAL, MUSHEERABAD, HYDERABAD**

- This is 100 bedded multi specialty hospital ( including CT surgery)
- NABH & NABL Accredited
- On an average 20 adult cardiac surgeries are performed per month
- Our anaesthesia and Critical care team provides comprehensive care in Cardiac, Neuro and Non-cardiac OT, SICU, CT-Post op, MICU and CCU

**ASIAN INSTITUTE OF NEPHROLOGY AND UROLOGY (3 Units)**

- 180 bed hospital with 12 bed SICU and 12 Bed Acute Kidney care unit
- Level IV ICU care
- 200 surgical procedures per month including renal transplants.
- Put down the protocol for Renal transplants for both Donors and recipients
- NABH accredited

**CENTURY SUPER SPECIALTY HOSPITAL, HYDERABAD**

- Ex Medical Director
- NABH & NABL Accredited
- Teacher and Guide: IDCCM and CTCCM courses
- 225 Bed, 75 ICU beds and 18 Triage Beds, 6 Day care Beds Super specialty hospital, started in Jan 2015
- Have been involved in designing OT (With the input from others involved, introduced a new concept for economic OT designing – The NABES Concept), ICUs and other critical areas in the hospital
- Economizing, Planning and executing appropriate infrastructure for the hospital
- Put down protocol for Live and cadaveric renal transplant programme
- NABH – Chief Coordinator
- Chief Coordinator: Blood bank, state of the art with Components
- Lead – HIC committee

**CITY NEURO CENTRE**

- 150 Beds Tertiary care Neuro Surgical, Neuro Medical and Neuro-psychiatry Hospital

8-2-684/3/K/20, Kaushik Colony, Rd 12, Banjara Hills, Hyderabad, India.
