

## CURRICULUM VITAE

**Dr Senthil Kumaran** is Consultant Anaesthetist at Northampton General Hospital UK. He graduated from Madras Medical College in 1992. He began his anaesthetic career in Barts and the London School of Anaesthesia in 1995. He is a Fellow of the Royal college of Anaesthetist (FRCA).

He has held a Honorary Senior Lecturer in Medical Education from Leicester University. He continues to be actively involved in postgraduate training and is a co-trainer for the regional Anaesthesia fellowship under the Leicester school of Anaesthesia. He is one of the founding faculties of the Simulation centre in Northampton General Hospital and is advocate of using Simulation as tool for training for all levels of clinical practise. His practise includes cardio-pulmonary exercise testing (CPET) for optimising perioperative care and risk reduction.
