PRESENT STATUS : Practicing Anaesthesiologist.

Papers Presented at Conferences :

1.Unsuspected, unrecognized Malignant Paraganglioma –
Anesthetist Nightmare.

Diwan s. m., Naphade. r, w

National conf. Bangalore 94.

2.Anaesthetic Management of Neonatal Surgical emergencies -

Diwan s. m., Naphade. r.w.

National conf. Bangalore 94, State Conference Belgaum 96

3.Caudal epidural in infants and neonates.

Diwan s. m., Jadhav. s.s.

National Conf. Jaipur 95

4. Neonatal surgical emergencies Anaesthetic Management at Rural Hospital

Diwan s. m., Jadhav. s. s., Naphade r.w.

National conf. Jaipur 95

5. Giant Hydrocephalus – (A) case report.

Diwan s. m.,

National conf. Jaipur 95

6. Anaesthetic management of thyroid patients for extrathyroidal diseases

Diwan s. m.,

National conf. Hyderabad 96

7. Atracurium, Vecuronium and use of Laryngeal mask airway in private practice.

Diwan s. m.,

National conf. Hyderabad 96

8.Pheochromocytoma.

Diagnosed and undiagnosed Anaesthetic challenges.

Diwan s. m.,

State conf. Belgaum 96

9.Role of Regional anaesthesia in high risk group of patients.

Diwan s. m.,

XII National conf. Of RSACP, Pune 97.

10.Perioperative problems in anaesthetic management of CHD for noncardiac surgeries in neonates.

Diwan s.m. Jadhav s.s. (Paed. Surgeon)

XII National conf. Of RSACP, Pune 97.

11.Delayed Awakening and Recovery in a case of Wilms tumour – A case report.

Diwan s.m. Jadhav s.s. (Paed. Surgeon)

XII National conf. Of RSACP, Pune 97.

12. Combined Spino Epidural : Evaluation & Application.

Diwan. S. m., Diwanmal b.m.

State conf. Amravati 98

13. Brachial Plexus Block : Role in high risk surgical pts.

Diwan s. m.

State conf. Amravati 98

14. Combined Spino Epidural : Evaluation & Application.

Diwan s. m., Diwanmal b.m.

Asia Oceanic Regional Anaesthesia(AOSRA) conf. 1999 New Delhi

15. Brachial Plexus Block : Role in high risk surgical pts.

Diwan s.m. AOSRA 99 New Delhi

16. Epidural Saline Neuroplasty.

Diwan s.m.

Global pain update 2000 Bombay.

17.Expanding role of Cerviconeuroaxis in Orthopaedic Surgical procedures and pain relief techniques.

Diwan s m , National Conf.2000, Nagpur.

18.Continuous Brachial Plexus Block – A Reality?.

Diwan s m, National Conf.2000, Nagpur.

19.Attempting Central Neural Blocks in Difficult Back.

Diwan s m, National Conf.2000, Nagpur.

20.Cervical Plexus Block: A definitive role in Shoulder Girdle Surgeries.

Diwan s m, RSACP 2000,Banglore.

21.Sympathetic Block:Present Trend and Applications.

Diwan s m, RSACP 2000,Banglore.

22.Persistant Pain :Problems and Solutions.

Diwan s m, RSACP 2000,Banglore.

23. Lumbar Plexus Block : Role in Hip Surgeries.

Diwan S M. isacon 2001 Ahmedabad.

24. Epidural Adventures and Misadventures.

Diwan S M. isacon 2001 Ahmedabad.

25. Anesthetic management of Neonatal Thoracic procedures

Diwan S M. isacon 2002 Coimbatore

26. Sciatic Nerve Block

Diwan S M. isacon 2002 Coimbatore

27. Thoracic Paravertebral Block for Radical Mastectomy

Diwan S M. isacon 2004 Bhopal

28. CT guided Celiac Plexus Block

Diwan SM AOSRA, Delhi 2004

29. Thoracic Paravertebral Block

Diwan SM AOSRA, Delhi 2004.

30. Neurolytic Sacral Plexus Block

Diwan SM, ISSP Pune,2005.

31. Trans Aortic Celiac Plexus Block

Diwan SM, ISSP Pune,2005.

32. Innovative technique in TOF, Vellore , 2006.

33. Epidural in Gastroschisis,Vellore, 2006.

AWARDS.

State

Awarded Best paper at the 1998 State conference held at Amravati.

Combined Spino Epidural technique – Evaluation and application

Awarded Best paper at the 2000 State conference held at Miraj-Sangli.

Cervical Plexus Block: A definitive role in Shoulder Girdle Surgeries.

Awarded Best paper at the 2002 State conference held at Nanded.

Thoracic Paravertebral Block.

National

Awarded Best paper at the 2001 National conference held at Ahmedabad.

Lumbar Plexus Block : Role in Hip Surgeries.

Awarded Best paper at the 2002 National conference held at Coimbatore:

Neonatal Emergencies: Innovative techniques.

International

Awarded Best paper at the 2004 AOSRA, Delhi

CT guided Celiac Plexus Block

Awarded 3 rd best paper at International Society Ultrasound Regional Anesthesia
Toronto,Canada.

Ultrasound guided paravertebral blocks in neonates.

Awarded Best paper at the 2008 Asian Society Paediatric Anesthesia, Vietnam.

Ultrasound guided thoracic paravertebral block in neonates,

FACULTY INVITATIONS:

Faculty:

ISACON 2001 Ahmedabad.

Alternative Regional Anaesthesia Techniques For

Lower Limb Surgical Procedures.

Faculty:

ISACON 2002 Coimbatore.

Contributions towards Book.

1.Principles of Anesthesia Edited by Dr Satish Deshpande

Topics:

Regional Anesthesia.

Intravenous Regional Anesthesia.

2. Text Book of Orthopaedics Edited by Dr G S Kulkarni

Topics:

A . Plexus and Nerve blocks.

B . Complex Regional Pain Syndrome.

C . Anesthesia in Paediatric Orthopaedics.

Present Status.

Consulting Anesthesiologist.

Hon Anesthesiologist, Gondavale Charitable Hospital.

Hon Anesthesiologist and Pain Consultant , Swasthiyog Pratishtan Miraj.

Hon Pain Consultant , Dr D K Gosavi Memorial.

Sri Siddhivinayak Ganapati Hospital Miraj.

Others.

Spread of Regional anaesthesia techniques amongst colleagues.

I regularly presenting paper in our Anaesthesia Society.

I am also involved in delivering lectures to PG students.

I am a Member ISA, IASP, ASPA, AOSRA, IAPC.

Organized several lectures and workshops in Miraj.
